

## REGULATIONS FOR PRIORITY ACCESS

1. In the period 31.07-28.08 booking requests can only be sent for priority access. Priority access guarantee a shorter waiting time for the allocation of the pitch itself. The pitch will be assigned by our staff in the order of arrival, and is subject to availability.
2. If pitches are unavailable, accommodation in a temporary rest area-partially shaded or in the sun-will be provided, at a reduced rate.
3. When the campsite is full the pitch assignment is definitive (no position changes are permitted).
4. Booking requests must only be submitted online, and then confirmed, after acceptance of availability, by paying a deposit of €75 of which €20 (non-refundable) is for booking fees.
5. Priority access is only guaranteed for the day and the time slot that has been booked. In case of late arrival access may be allowed during a later time slot. Early arrival is not permitted.
